Italian gold chains  
With a Scandinavian glow

Italienske guld kæder  
med Skandinaviske glød

## *Velkommen til en ny verden af kæder*

Det er med glæde at Houmann præsentere sit nye forhandler katalog - et værktøj, der giver et uital af nye muligheder for at købe og sælge guldkæder på.

Houmann har siden 1995 i tæt samarbejde med nogle af Italiens bedste designere og fabrikanten udviklet og produceret kæde mønstre, som hen over årene er gået hen og blevet klassiske mønstre, som enhver guldsmed bare må have i sit sortiment. Nu har vi samlet alle disse mønstre i denne mappe, så man let kan blive inspireret og finde lige nøjagtig den Houmann kæde der passer til ens stil, størrelse, farve og formåen.

Houmann's kæder er alle håndlavet efter gamle traditioner og designet er tilpasset til at give kæderne mest styrke og lang levetid. Næsten alle vores kæder kan leveres i tre farve kombinationer, 2 karater og i de længder der passer. Alle kæderne har kraftige fjeder karabin låse og vores egne karakteristiske ende stykker eller design tilpasset kasse lås.

God fornøjelse med kataloget

Finn Houmann
